

# Mjesec pun kreativne i razigranosti

svibanj, 2022.

(produženi boravak OŠ Sračinec  
-2., 3. i 4. razred-)

volimo  
proljeće  
jer je  
cvijeće  
svuda  
oko nas...

*za Dan  
sunca, 3.  
svibnja,  
izradili smo  
vesela sunca  
i razgovarali  
o sunčevu  
sistemu*

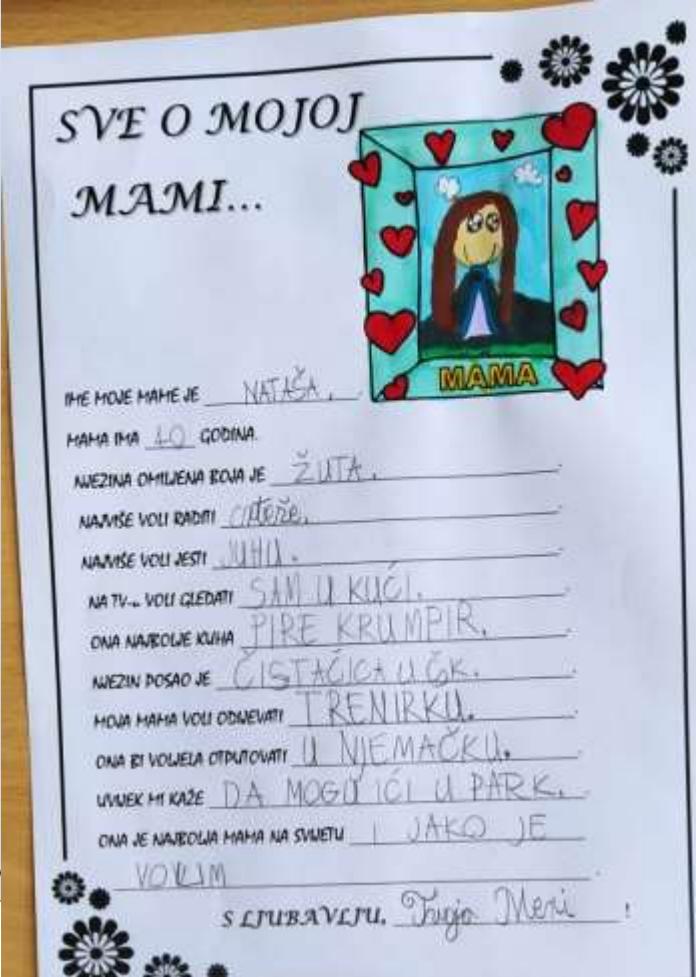

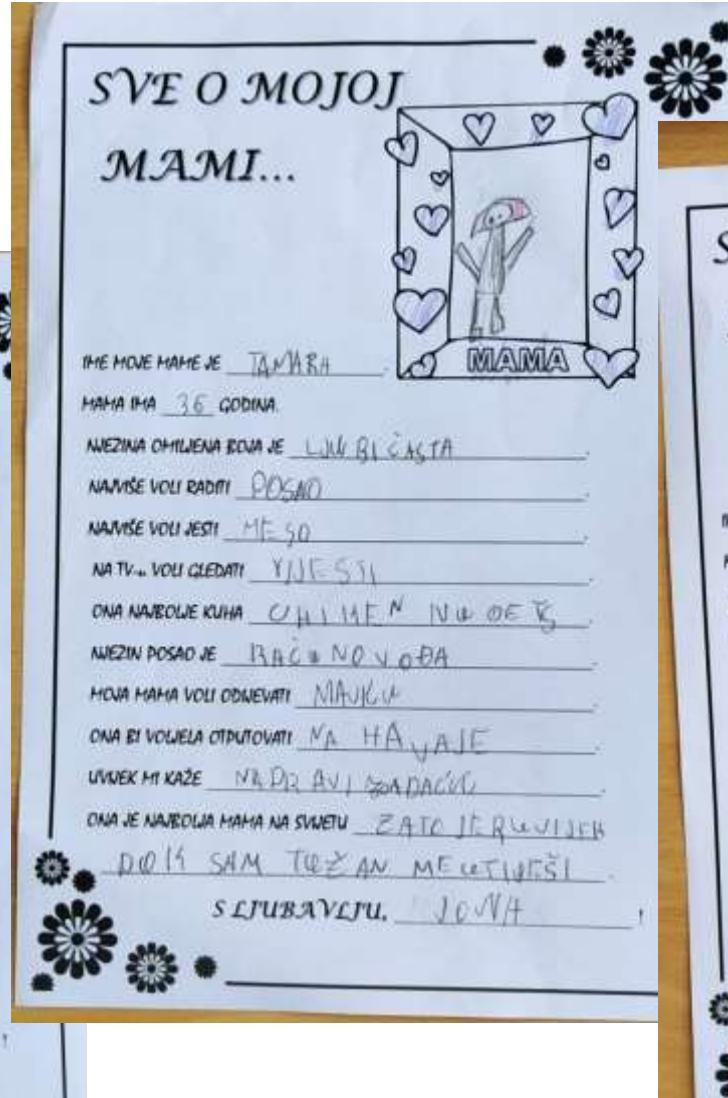

# naši tulipani

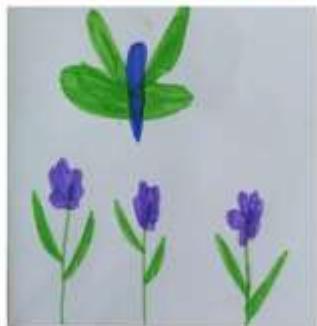

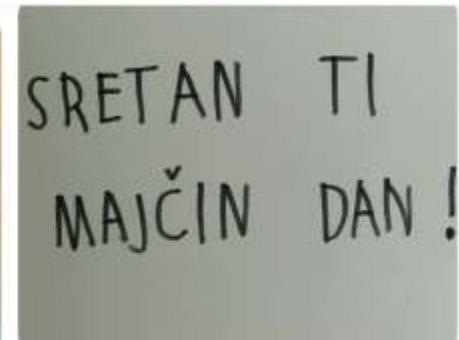

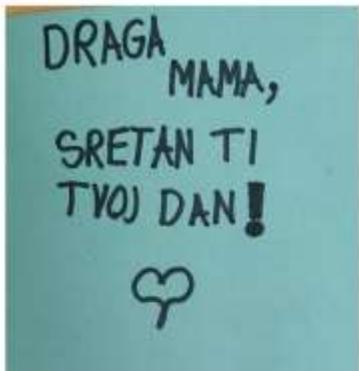

šeširi  
za  
naše  
moderne  
majke

# učenici su izrazili puno lijepih riječi za svoje majke ☺

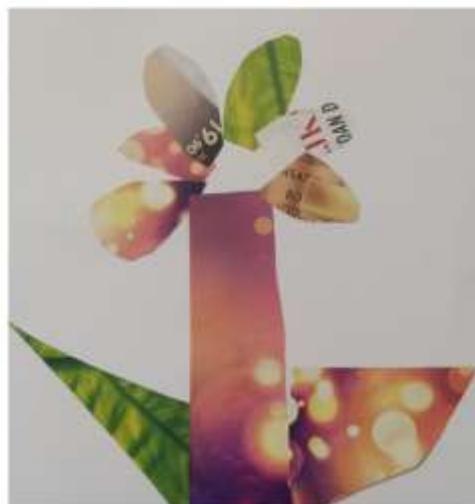

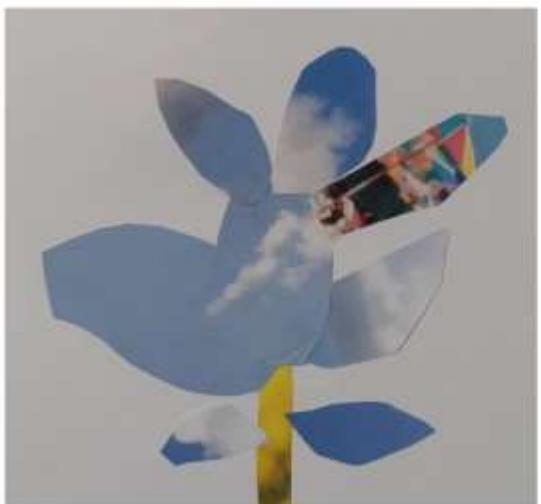

9.5.  
DAN EUROPE

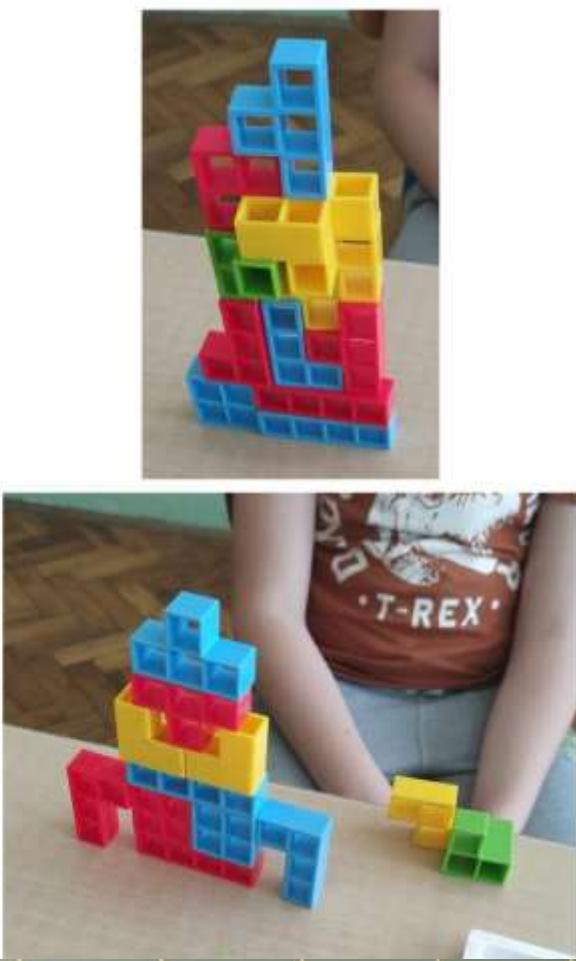

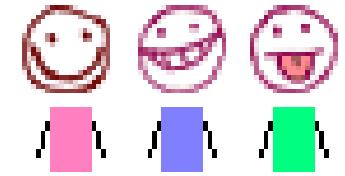

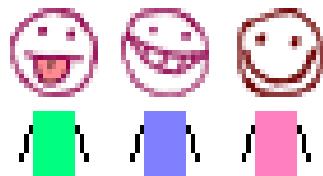

volimo  
ukrašavati  
naše drvo  
pa smo  
dodali  
šarene  
cvjetove

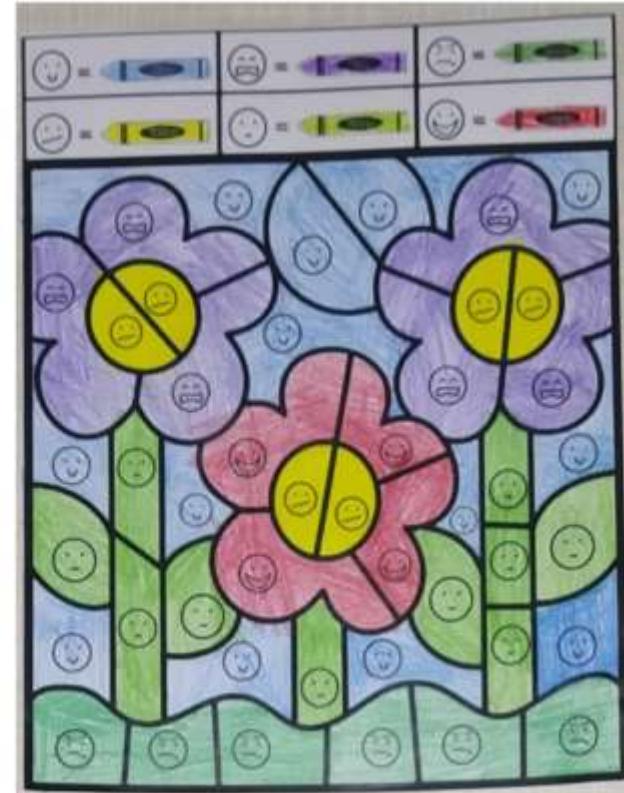

jedni slažu  
kockice, dok  
drugi  
ponavljaju  
abecedu

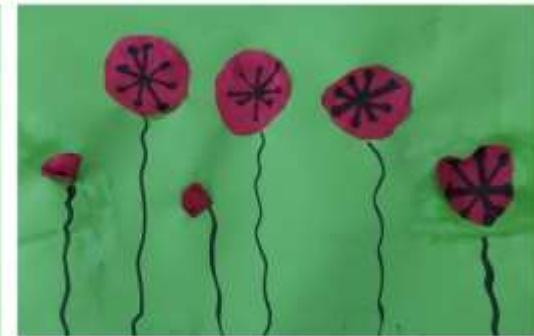

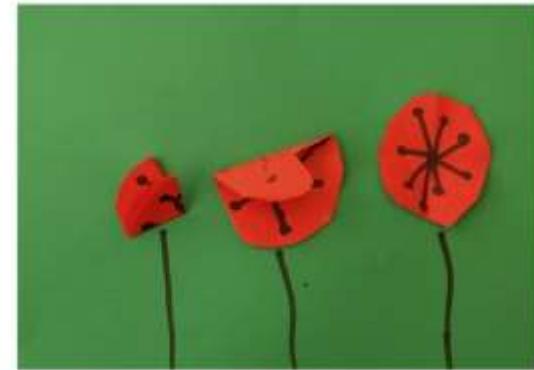

Crni Petar i smoki,  
zagaranirana zabava

volimo bojanke,  
a ove sa smajlićima  
su nas oduševile

# naši makovi
