

Nauči kodeks sigurnosti na vodi

Ne plivaj najmanje jedan sat nakon obroka. Ne plivaj ako si konzumirao alkohol.

Ne ulazi vruć u vodu.

Ne skači u vodu nepoznate dubine.

Nikad ne plivaj sam.

Plivaj u blizini plaže.

Poštuj upute i znakove spasilaca.

Dogodi li ti se nevolja, ostani smiren. Plutaj na leđima i maši jednom rukom za pomoć.

Ako u vodi uočiš nekog u nevolji, ODMAH potraži pomoć.

ZABAVITE SE i budite na oprezu!
